---

**Series 3 15.6" Laptop**

21 199.60 ₺

Don't be weighed down by wasted time, let your PC come alive when you need it. Your life happens on the go, you don't have time to wait for PC to shut down and power up. With Samsung's exclusive Fast Start technology, simply close the lid to enter a hybrid sleep mode. When you open the lid, you are up and running in less than 3 sec.

**Features:****Brand:** Samsung**Operating System:** Windows 7 Home Premium**Display:** 15.6"**Storage Capacity:** 640GB

---

**Series 9 13.3" Laptop**

81 960.00 ₺

You no longer have to shut down your Samsung computer, just close its lid and it goes into a special powerless sleep mode. When you open the lid your computer comes back to life in 3 seconds and you are exactly at the same place as when you shut the lid. Fast Start saves your data and system configurations to your hard drive and PC memory. So, when you power it back on it is just like you left it.

**Features:****Brand:** Samsung**Operating System:** Windows 7 Home Premium**Display:** 13.3"**Storage Capacity:** 256GB
